#### **Six High School Seniors Receive Chamber Scholarships**

Six local high school students are recipients of the 2010 Education Partnership Business Scholarships presented by the Mount Vernon-Lee Chamber of Commerce at their June business lunch hosted by Mount Vernon High School.

Receiving the scholarships were Andrew Sable and Kathryn Parsley from Mount Vernon High School; Jeffrey Lopez, West Potomac High School; William Muldrow, Thomas A. Edison High School; and Jessica Musman and Evan Huffman from Hayfield Secondary Schools.

“An investment in education is a commitment to the future of our community,” said Holly Dougherty executive director of the chamber of commerce. “Our chamber members dedicate a lot of time and energy to ensure scholarship funds are available each year for local graduating high school seniors because we are committed to improving our community.”

Each \$2,000 scholarship was made possible through the generous contributions of local businesses. During the past ten years, the Mount Vernon-Lee Chamber of Commerce has awarded more than \$84,000 in Education Partnership Business Scholarships to local high school students.

Scott Brabrand, Cluster IV Assistant Superintendent also spoke at the business lunch updating chamber member on the new Fairfax County Public Schools “Priority Schools” initiative. Principal Nardos King welcomed chamber members to Mount Vernon High School.
